

WORKERS' COMPENSATION INSURANCE DESIGNED FOR NY PUBLIC ENTITIES

Since 1981, the **NYS Public Entities Safety Group 497** program, in partnership with the New York State Insurance Fund (NYSIF), has offered members a cost savings insurance program for their workers' compensation insurance.

Program Highlights:

- Up to **40%** savings on workers' compensation premium.
- Average dividend of **36%** over the past 5 years.
- Upfront discounts as high as **35%**
- Pay as you Go payment options
- Policy services including insurance certificates, claims filing, and accident prevention.

FLEURY

RISK MANAGEMENT

Specialized Risk Control

Fleury Risk Management (FRM) offers customers a variety of risk control services that can be tailored to your organization's individual needs. Services include:

- Claim analysis and trending for root cause identification (i.e., Behavioral vs. Environmental)
- Implementation of focused action plans to reduce and ultimately eliminate workplace injuries
- Jobsite surveys and analysis
- Train the Trainer seminars
- OSHA compliance workshops and training
- Experience Mod analysis
- Access to our online, interactive safety training system featuring over 500 topics including: bloodborne pathogens, workplace violence, and sexual harassment

Our goal is to provide each of our clients the tools and information needed to become the safest workplace possible. Contact us today to learn more about these services.
