

# You were injured at work. What now?

The New York State Workers' Compensation Board has received notice you suffered a workplace injury or illness, so we're preparing a workers' compensation case in your name. You may have already received medical treatment. If you haven't, you should seek medical care as soon as possible.

## A Worker's Responsibilities

- You must tell your employer, in writing, when, where and how you were injured. Do this within 30 days of injury.
- Medical reports are necessary for your case. Advise your doctors that you have a work-related injury, and give the name of your employer. Do not pay for your care yourself or use other health insurance. Tell your doctor to file reports with the Board and with your employer or its insurance carrier. If your case is disputed, the Board needs a medical report on your injury to begin resolving your claim.

## Starting a Case

Once your employer knows of your injury, it must notify this Board. You should file an employee claim (C-3 form) reporting your injury as soon as possible. (You **must** notify the Board of your injury or illness within two years.) If you injured the same body part before, or had a similar illness, you must also file a Form C-3.3. If you haven't already filed a C-3 or C-3.3 (if necessary), there are three ways to do it.

### Three ways to file a C-3 or C-3.3

Visit [www.WCB.NY.Gov](http://www.WCB.NY.Gov) and click **Workers** to complete the form.

Call **(877) 632-4996**. A Board employee will complete the form with you.

Complete the enclosed paper forms and mail them to the Board.

## Health Care Bills

**Do not** pay your doctor or hospital. Those bills are paid by the insurer unless the Board disallows your case. If your case is disputed, the providers are paid when the Board decides your case. *If the Board decides against you, or if you don't pursue a case, you will have to pay the doctor or hospital.*

Your employer's insurance covers medically necessary drugs and equipment your doctor prescribes. You're also entitled to carfare or necessary expenses incurred when traveling for treatment. (Get receipts for those expenses.)

## CLAIMANT INFORMATION PACKET

Generally, you can choose any doctor authorized by the Board. You can also use occupational health clinics. However, if your employer's insurer has a preferred provider organization to provide care for workers' compensation injuries, you must get your initial treatment from those providers. If that insurer also has a pharmacy or diagnostic network, you must get service within these networks. If the insurer uses these networks, it must also tell you its service providers and how to use them.

### Benefits for Lost Wages

You are entitled to a portion of your lost wages if your injury affects you in one or more ways:

1. It keeps you from work for more than seven days;
2. Part of your body is permanently disabled;
3. Your pay is reduced because you now work fewer hours or do other work.

An employer or insurer can accept your claim and begin paying your lost wage benefit promptly. Sometimes, employers and insurers dispute a claim. When that occurs, the Board strives to resolve most cases within 90 days.

You may hire an attorney or licensed representative, who can be helpful with complex or disputed claims, but it isn't required. The Board sets their fees and they will be deducted from your lost wages award. You or your family should not pay anything directly to your attorney or licensed representative.

If your case is disputed, you may receive disability benefits while the case is heard. You would pay them back out of your lost wages award. To get a DB-450 form, visit [www.wcb.ny.gov](http://www.wcb.ny.gov) and click Workers; visit a Board office; or call (877) 632-4996.

### Help is Available

People sometimes need help getting back to work. Your employer may have a *return to work* program that can get you back to work in light duty or an alternative position while you heal. An injury can also cause family or financial problems. The Workers' Compensation Board has rehabilitation counselors and social workers to help. Call (877) 632-4996 for more assistance.

### What's Next?

Your employer or its insurance carrier will contact you if your claim is accepted. When that happens, your treatment will be paid and lost wage benefits begin. If your case is challenged, the Board will notify you about resolving the case. If more information is necessary, the Board will contact you and tell you how to file it.

### **What Every Worker Should Do in Case of On-The-Job Injury or Occupational Disease:**

1. Immediately tell your employer or supervisor when, where and how you were injured.
2. Secure medical care immediately.
3. Tell your doctor to file medical reports with the Board and with your employer or its insurance carrier.
4. Make out this claim for compensation and send it to the Workers' Compensation Board centralized mailing address. Failure to file within two years after the date of injury may result in your claim being denied. If you need help in completing this form, contact the Workers' Compensation Board at 1-877-632-4996.
5. Go to all hearings when notified to appear.
6. Go back to work as soon as you are able; compensation is never as high as your wage.

### **Your Rights:**

1. Generally, you are entitled to be treated by a doctor of your choice, provided he/she is authorized by the Board. If your employer is involved in a preferred provider organization (PPO) arrangement, you must obtain initial treatment from the preferred provider organization which has been designated to provide health care services for workers' compensation injuries.
2. DO NOT pay your doctor or hospital. Their bills will be paid by the insurance carrier if your case is not disputed. If your case is disputed, the doctor or hospital must wait for payment until the Board decides your case. In the event you fail to prosecute your case or the Board decides against you, you will have to pay the doctor or hospital.
3. You are also entitled to be reimbursed for drugs, crutches, or any apparatus properly prescribed by your doctor and for carfares or other necessary expenses going to and from your doctor's office or the hospital. (Get receipts for such expenses.)
4. You are entitled to compensation if your injury keeps you from work for more than seven days, compels you to work at lower wages, or results in permanent disability to any part of your body.
5. Compensation is payable directly and without waiting for an award, except when the claim is disputed.
6. Injured workers or dependents of deceased workers may represent themselves in matters before the Board or may retain an attorney or licensed representative to represent them. If an attorney or licensed representative is retained, his/her fee for legal services will be reviewed by the Board and if approved will be paid by the employer or insurance company out of any compensation benefits due. Injured workers or dependents of deceased workers should not directly pay anything to the attorney or licensed representative representing them in a compensation case.
7. If you need help returning to work, or with family or financial problems because of your injury, contact the Workers' Compensation Board office nearest you and ask for a rehabilitation counselor or social worker.

NYSIF has implemented an instant enrollment or "short-fill" service with CVS Caremark. The new service allows injured workers immediate acceptance by any pharmacy in the CareComp pharmacy network administered by CVS Caremark. Although New York law does not require us to provide this benefit, we have elected to provide a limited number of cost-effective medication benefits for new claims filed for **work-related injuries or illnesses** in order to help injured workers get through the first, difficult days after an injury and before the claim is accepted.

When an employee sustains a work-related injury, the form on the other side of this page (Workers' Compensation Temporary Prescription Services ID) may be used to fill prescriptions at any participating pharmacy in the CareComp Network of CVS Caremark . It makes **getting prescriptions for your work-related injury** very easy.

**Step 1: Employer fills in:**

- Employer's Name
- Policy Number

**Step 2: Injured employee fills in his/her:**

- Social Security Number
- Date of Injury
- Date of Birth
- Name
- Mailing Address

**Step 3: Injured employee brings to pharmacy:**

- Completed temporary ID form
- Prescription(s) for work-related injury

**Step 4:** Within 10 days of the New York State Insurance Fund's confirmation of the accident, the injured employee will receive a packet from CVS Caremark. The packet will contain a permanent ID card that should be used when filling prescriptions for the work-related injury.

**Note:** Injured workers can quickly find local participating pharmacies by visiting: <http://www.wcrxpharmacylocator.com> or by calling the CVS Caremark 24-hour patient care hotline at 1-866-493-1640.

If you have any questions about this form, please contact NYSIF, your workers' compensation carrier, at 1-888-875-5790.
