ESRTA Safety Group 554 Announces Dividend for Members for 2019 – 2020 Policy Year

Clifton Park, NY — The Empire State Restaurant & Tavern Association (ESRTA) Safety Group 554 and the New York State Insurance Fund are pleased to announce a 45 percent dividend for the policy year September 30, 2019 to September 30, 2020. This marks the 27th consecutive year Safety Group 554 has paid a dividend to its members.

The dividend of 45 percent represents \$663,224 returned to members for the September 30, 2019 to September 30, 2020 policy term.

In addition to a 45% dividend, NYSIF has approved the availability of a maximum 25% upfront discount for qualified Safety Group 554 renewals for the September 30, 2021 to September 30, 2022 policy term.

The Safety Group dividend is based on the overall claims experience of all Group members versus the insurance premiums collected. Safety Group 554 is proud to be one of the few programs consistently paying dividends to New York's restaurants & taverns. Thanks to all of the current members that continue to place their trust in ESRTA Safety Group 554.
